The SONshine Station Children's Ministry would like to extend a special blessing of grace to you as you care for your children at such an extraordinary time.

Though we miss gathering with you as a church family, it is our hope that through this...we all will be able to receive God's grace and kindness in a special way, as we learn to Depend on HIM.

As the SONshine Station trusts and seeks God's wisdom in keeping us connected for children's church, our priority is ensuring the health and safety of our children and teachers at this time.

In October, the SONshine Station will provide bible lessons and activities, online via Zoom until January 2021, when we will re-evaluate.

Thank you in advance for allowing us to partner with you in this awesome task.
